

San Antonio Human Resource Management Association's 16th Annual Employment Law Conference

**Virtually and In-Person at the Norris Conference Center
San Antonio, Texas – Wednesday, August 10, 2022**

SPONSORSHIP OPPORTUNITIES

SAHRMA's 16th Annual Employment Law Conference is dedicated to helping today's HR professionals stay on top of recent court decisions, regulations, and newly enacted legislation that are critical to their companies' success. We are expecting approximately 200 HR professionals (virtually and in person) that devote their time, effort, and energy to the future and direction of Human Resources for the local, regional, and national companies for which they work.

There are several sponsorship opportunities available to assist SAHRMA in funding this valuable event for its members and guests. We know that budgets are limited as many companies emerge from the financial impact of COVID-19, so we have worked to identify sponsorship opportunities of various sizes and we have reduced the monetary amounts of our larger sponsorship opportunities in hopes of defraying even just part of SAHRMA's expenses.
